Future Horizons: Envisioning the Humanities and Social Sciences

25 March 2026 | 2.00pm – 5.30pm
Shaw Foundation Alumni House Auditorium

Can the Humanities and Social Sciences (HSS) still shape the future in an age increasingly dominated by artificial intelligence, climate crises, and social fragmentation? Future Horizons: Envisioning the Humanities and Social Sciences invites participants to reflect on this timely question through two engaging panel discussions that explore the challenges and emerging opportunities facing HSS today.

Moderators' and Speakers' Bios

Prof Kenneth Benoit

Ken is Dean and Professor of Computational Social Science at the School of Social Sciences, Singapore Management University. His research focuses on computational, quantitative methods for processing large amounts of textual data, mainly political texts and social media.

Prof Adam Clulow

Adam Clulow is a historian of early modern Asia. His work is concerned broadly with the transnational circulation of ideas, people, practices and commodities across East and Southeast Asia.

Prof Robbie Goh

Robbie Goh is Provost and Professor of the Singapore University of Social Sciences, a position he has held since 1 October 2021. Prior to this, he spent 33 years at the National University of Singapore, most recently as Professor and Dean of the Faculty of Arts and Social Science.

Prof Mark Graham

Mark Graham is Professor of Internet Geography at the Oxford Internet Institute, Senior Research Fellow at Green Templeton College, and Research Affiliate in the University of Oxford's School of Geography and the Environment.

**Prof Hsueh Ming Qu**

Hsueh Ming Qu is Provost's Chair Professor in the Department of Philosophy at the National University of Singapore. His research interest is Early Modern, primarily the scholarship of David Hume.

**Dr Seng Yu Jin**

Seng Yu Jin is a Senior Curator and Director (Curatorial, Research & Exhibitions) at The National Gallery Singapore. His research interests cover regional art histories focusing on Southeast Asian art in relation to the history of exhibitions and artist collectives in Southeast Asia.

**Martin Tan**

Martin Tan is the Chief Executive Officer of The Majority Trust, a philanthropic organisation with social impact programs in Singapore. Martin was formerly the Executive Director of Institute for Societal Leadership at Singapore Management University and Co-Founder of Halogen Foundation Singapore.

**Assoc Prof Walter Theseira**

Walter Theseira is Associate Professor of Economics at the Singapore University of Social Sciences. He has advised government agencies on economic research and served as a Nominated Member of Parliament in the 13th Parliament of Singapore.

**Prof Lionel Wee**

Lionel Wee is Dean of FASS and Provost's Chair Professor in the Department of English, Linguistics, and Theatre Studies at NUS. His main research interests include language policy, new varieties of English, and broader issues in sociolinguistics, pragmatics, and applied linguistics.

**Prof Fiona Williamson**

Fiona Williamson is Professor of environmental history in the College of Integrative Studies at Singapore Management University. She is a Fellow of the Royal Historical Society and Co-President of the International Commission for the History of Meteorology.

**Prof Jesvin Yeo**

Jesvin Yeo is Deputy Associate Provost (Strategy) and Professor at the School of Art, Design and Media, Nanyang Technological University. Her research interests are in cultural value, human experience and behaviour, and their applications in cultural heritage, education and wellbeing.

**Prof Yow Wei Quin**

Yow Wei Quin is the Head of the Humanities, Arts, and Social Sciences cluster, Programme Director for the Design and Artificial Intelligence undergraduate degree and Kwan Im Thong Hood Cho Temple Chair Professor in Healthcare Engineering at the Singapore University of Technology and Design.
